

wav_io.c

```
graph LR; wav_io_c[wav_io.c] --> stdio_h[stdio.h]; wav_io_c --> string_h[string.h]; wav_io_c --> misc_h[misc.h]; misc_h --> arch_h[arch.h];
```

The diagram illustrates the header file dependencies for the *wav_io.c* source file. A central black box labeled *wav_io.c* has three arrows pointing to *stdio.h*, *string.h*, and *misc.h*. The *misc.h* box further has an arrow pointing to *arch.h*. The *stdio.h* and *string.h* boxes have a light gray border, while *misc.h* and *arch.h* have a black border.
